

RE: COVID-19 & Induction & Refresher / International GP Recruitment Programmes

On Friday, Pearson Vue shut test centres in full until further notice, coupled with the national social distancing rules in place we have also made the decision to cancel the next Sim Surgery sitting.

Therefore, we are suspending MCQ and Sim Surgery assessments for I&R and IGPR doctors. We are working through options which will make best use of our committed doctors currently on the scheme and will be communicating further as soon as is possible.

Please bear with us for a short time and thank the doctors on the current schemes for their continued support and patience in this challenging time.

Many thanks
Prof Vijay Nayar / Dr Richard Weaver
I&R National Lead / IGPR National Lead
