

## SO IT'S TIME FOR CHANGE, GREAT!

### WHAT ARE YOU LOOKING FOR?

A great location, an ambitious practice, a role you can really get stuck into? Why not have all three. Using our consultative **Triple Match** approach SCW is helping GPs like you to successfully take the next step in their career, and we can do the same for you. **Interested?**

### WHAT IS TRIPLE MATCH?

If you're thinking about a move then you've probably got a wish list of what you need next. It could be progression opportunities, a community with great schools, a shorter commute or the rolling English countryside on your doorstep. Our specialists will take your wish list and apply it to three key criteria: practice, role and location to find you a practice that's just right for you. We call it **Triple Match**...

## TAKE OUR QUICK START TRIPLE MATCH QUIZ:

### PART ONE. DO YOU:

- Want to work in London?
- Want work in the south of England?

If you answered **yes** to either of the questions go to [PART TWO](#)

### PART TWO. ARE YOU:

- Completing or completed the Induction and Refresher Scheme?
- On the National Performers list but not been working within the last 24 months?
- On the retained doctor scheme and looking to increase your hours?

If you answered **yes** to any of these questions go to [PART THREE](#)

### PART THREE: WHAT'S IMPORTANT TO YOU?

Whatever the answer, it's important to us. We don't expect you to decide your future on the basis of a few multiple choice questions. We believe in getting to know you, your situation and understanding precisely what you're looking for. **Get in touch and put us to the test.**

## WHY USE TRIPLE MATCH?

As well as the practical support we can give you to change practice, when you use **Triple Match** you'll also be entitled to up to £8,000 towards relocation. And you'll qualify for an education bursary of up to £2,000 too.
